Areas of Law Practiced

Tomassian, Throckmorton & Inouye is a boutique law firm specializing in all areas of Construction Claims and Defects, Real Estate, Land Slides, Business and Civil litigation. Senior partner Serge Tomassian has been practicing law in Southern California for 28 years while compiling extensive trial, arbitration and mediation success. He was recognized in 2009 to 2012 as one of OC's "Top Construction and Real Estate Litigation Lawyers." Serge Tomassian and his firm have received the highest skill and ethical rating of "AV" by Martindale-Hubbell. He also earned the highest rating of "10" by AVVO. He was recognized as a Southern California "Super Lawyer" for 2012.

The reputation of Tomassian, Throckmorton & Inouye, LLP, originates from in-depth knowledge and expertise across broad and specialized areas of the practice. The firm has extensive trial, arbitration and mediation experience in all areas of construction claims and defects, real estate disputes, landslides, homeowner association matters, contractual and business issues as well as employment and entertainment matters. The entire firm is committed to its clients in a professional and effective manner. The firm has received the highest legal ratings and its managing partner Serge Tomassian is recognized as a top construction and real estate attorney in Southern California.

The firm's success lies in the results they have achieved through professionalism, teamwork, skill and tenacity. A summary of results includes: multi-million dollar jury verdicts and settlements for construction claims and defects, soils movement and landslide claims. The firm has successfully recovered through trial or settlement in excess of \$75 million in damages for plaintiffs/homeowners and has successfully defended against multi-million dollar claims in construction, business and real estate matters.
